

### CE Exemptions

To Whom It May Concern

The following product has been assessed against the CE Directives and exemptions apply or are outside of scope:

Product name: ENGINE IGNITION CONTROL SHUTTLE CONTROLLER

Model no.: 1334-00-002

#### **2011/65/EU + (EU)2015/863 - Restriction of Hazardous Substances (RoHS) Directive + amendments**

Not in scope of the RoHS directive - see Article 2 4 (c) equipment which is specifically designed, and is to be installed, as part of another type of equipment that is excluded or does not fall within the scope of this Directive, which can fulfil its function only if it is part of that equipment, and which can be replaced only by the same specifically designed equipment;

The above relates to the overall equipment of 4(g) non-road mobile machinery made available exclusively for professional use.

#### **2014/30/EU Electromagnetic Compatibility (EMC) Directive**

The product, and variants, referenced in this technical file are not intended for an end-user. Therefore the products are not classed as 'apparatus' within 2014/30/EU.

However, although excluded from this Directive, EMC design and testing may have been conducted where deemed appropriate for commercial reasons.
